*Conference adjourned

Dear Judge Castel:

We are writing on behalf of plaintiffs in the captioned matter to request a two-week adjournment to Friday, June 27, 2008 (or another date at the Court's convenience) of the pre-trial conference presently scheduled for 4:00 p.m. on Friday, June 13, 2008.

In our letter to the Court of May 30, 2008, we advised that the subject litigation had not been settled. Subsequently, it is our understanding that the parties involved in the caption action and the Hong Kong action have more than just reached "an agreement in principle." Our understanding is that settlement documents have been circulated for signature. We have attempted, thus far unsuccessfully, to obtain confirmation that all parties have signed the settlement documents.

Oregon counsel for the Defendants and I have discussed a joint request to adjourn Friday's conference before Your Honor, but I have not received agreement and so, having just received your courtroom Deputy Clerk's reminder about Friday's conference, I am requesting the two-week adjournment without such agreement of Defendants' counsel, although also without any objection of which I am aware.

Honorable P. Kevin Castel

If the matter has been settled, the parties anticipated providing a stipulated dismissal of the Complaint and Affirmative Defenses, with prejudice. The requested two-week adjournment should permit that to be presented or, in the alternative, should permit the parties to better prepare for a more productive pre-trial conference, if that is going to be required.

A favorable response to this request is earnestly solicited.

Respectfully submitted,
